

Exhibitions Volunteer Role

Overview

Project Art Works exhibitions and events celebrates and disseminate the diverse studio practices of our artists and makers. Exhibitions take place at our studio base in Hastings as well as through collaborative projects at cultural venues across the UK.

Volunteering with us

This is an opportunity to support diverse groups and individuals to access our exhibitions and the art work of our makers. Front of house volunteers will communicate ideas about the artwork on display and support engagement of visitors. Through volunteering at exhibitions and events you will get behind the scenes understanding and insight into Project Art Works artists, makers and work.

*As a exhibition volunteer we would require you to commit to **one day per week** over the exhibition period with further opportunities to volunteer at events.*

You will experience:

- Insight and knowledge of Project Art Works makers and Art work
- Public Facing interactions
- Supporting and assisting diverse groups to engage with exhibition spaces
- Supporting donations and Project Art Works Friends Scheme
- Exhibition installation

What you can bring:

- An Interest in the work of Project Art Works
- Good communication skills
- Passion for supporting people to access the arts and for sharing information
